#### III. The Lion, the Witch and the Wardrobe: Chaps 5–9 Themes

- A. View the video segment
- B. Choice and Sin — Genesis 4:1–16  
In Genesis, God warns Cain about the sin that is lurking. Are there ways in which Edmund is “warned” or has a sense that something’s not right?

Why do you think Edmund gives in and goes down the “darker path”?

- C. Matters of Temptation and Conscience — 1 Corinthians 10:6–33  
In Paul’s first letter to the Christians in Corinth, how does God use scripture to “inoculate” disciples against temptation?

What temptations does Paul warn the Corinthians about? How does he suggest handling temptation?

In addition to the Turkish Delight, what are the things that tempt Edmund?

What are some examples of how we see conscience at work in the *Lion, Witch and Wardrobe* so far?

#### IV. Recognizing our Turkish Delight, and looking for escape routes.
